Welcome to our family.

**special
Training**

**“Sometimes doing
the smallest things
for someone counts
the most!”**

**Become a
Bedside
Buddy**

Bedside Buddies supports a resident with a chronic illness, or nearing the end-of-life, with little or no involvement from family members and/or other support groups. The Bedside Buddy offers social, emotional and spiritual care by “adopting” (visiting) the resident as a member of their “family.”

To become a Bedside Buddy, you must:

- * Have a strong desire to work with seniors and very ill residents.
- * Be willing to provide ongoing support to the assigned resident(s).
- * Successfully complete the Bedside Buddy Training Program.
- * Complete the Isabella Volunteer Orientation (unless excused).
