

MISSION

The Pastoral Services Department is committed to addressing the spiritual and religious needs of residents in support of their primary health care. Although residents are the prime focus, pastoral services are also available to the families and friends of residents and to the Isabella staff. The Pastoral Services Department is sensitive to and supportive of individual beliefs, religious or secular values and preferences, organizational affiliations and other specific directives.

Residents, family members, friends and the Isabella staff may receive pastoral services upon request at extension 1333 or, directly via 212 342-9333. Pastoral services may also be requested via the Social Services or Nursing Staff.

Precepts to Ponder

SMILE.

**it costs nothing,
pays huge dividends
and is contagious.**

LAUGH.

**it creates a natural high,
makes life more interesting
and aids inspiration.**

FORGIVE.

**it frees the spirit because
nothing done to or by us
is redressed by harboring
revenge, retaliation or
remorse.**

LIVE.

**it is a celebration of
divinity in humanity that
honors the love and
legacy of those we love
and who love us.**
